

December 13, 2018

Dear Friends,

The Columbia Association of Health Underwriters have chosen to raise money for CAMP KEMO Programs by hosting the CAHU/CAMP KEMO Golf Tournament and Band Party on **May 3, 2019**. Your support of this event will be a tremendous help with the fundraising efforts for the patients treated at the Children's Center for Cancer and Blood Disorders at Palmetto Health Children's Hospital.

In supporting the CAHU/CAMP KEMO Golf Tournament and Band Party, you are making a difference in the lives of more than 1,000 children a year who suffer from cancer and blood disorders, many of whom make repeat inpatient and outpatient visits throughout a given year at the Children's Center for Cancer and Blood Disorders at Palmetto Health Children's Hospital. Funds from this event will benefit CAMP KEMO Programs.

CAMP KEMO Programs is a variety of psychosocial programs that were developed to meet the needs of patients, siblings and parents who face the challenges created by cancer and blood disorders. Treating cancer and blood disorders in children requires a careful balance of services to meet the physical, emotional and social needs of the entire family. CAMP KEMO Programs are designed to educate, inspire and support the entire family so that life is more manageable and enjoyable. It is critically important to provide emotional support from the moment of diagnosis through the end of treatment and beyond - late effects clinics for long term survivors and bereavement support for those families whose children pass away.

I ask you to consider being a part of this event. If you need additional information regarding CAMP KEMO Programs, please contact me either by phone at (803) 434-4674 or e-mail Karson.Terry@palmettohealth.org.

Sincerely,

A handwritten signature in blue ink that reads "Karson Terry".

Karson Terry
